

**Istituto Nazionale di Neuroscienze**

Consorzio Interuniversitario di Neuroscienze

## **INN Open Neuroscience Forum @UniFE**

### **2 luglio 2018 - ore 15:00**

Aula D7,

*Effects on seizures and epilepsy co-morbidities of encapsulated BDNF-producing cells*

**Chiara Falcicchia**, University of Ferrara, Pharmacology, Ferrara, Italy.

### **9 luglio 2018 - ore 15:00**

Aula D4,

*Opioid G-protein versus arrestin signaling bias: Mechanisms and does it matter*

**Macdonald Christie**, University of Sydney, Pharmacology, Sydney, Australia.

### **17 settembre 2018 - ore 15:00**

Aula D4,

*Label free approaches in pharmacology and cell physiology*

**Davide Malfacini**, Molecular, Cellular and Pharmacobiology Section, Institute for Pharmaceutical Biology, University of Bonn, Bonn, Germany.

### **24 settembre 2018 - ore 15:00**

Aula F4,

*Nociceptin/orphanin FQ receptor ligands and translational challenges: focus on cebranopadol as an innovative analgesic*

**Girolamo Calo'**, University of Ferrara, Pharmacology, Ferrara, Italy.
