Professor Sven Olof Collin

is a full professor of Corporate Governance, currently at the Free University of Scania and Kharkiv University, after being at Kristianstad University, Linnaeus University and

UNIVERSITY OF FERRARA

Department of Economics and Management

Halmstad University (in Sweden). Holding a PhD from Lund University, he has devoted his research career to management and corporate governance topics investigating both SMEs and public institutions mainly through a quantitative approach. He has published in international journals such as: The International Journal of Accounting & Finance; the Journal of Family Business Management; the Journal of Management & Governance; the International Journal of Public Policy; Financial Reporting; Organization Studies; to mention some. He is a member of the editorial board of the Journal of Management & Governance and he has also served as editorial board member the Academy of Management Review, and the International Journal of Public-Private Partnerships. Teaching has been a key dimension of Sven's academic career at each level, mainly with regard to the PhD students.
