

1. Estratto della Convenzione fra dottorato internazionale IRAPP (International Relativistic Astrophysics PhD) e Università di Ferrara, che fissa le regole per l'ingresso nell'IRAPP.

Art. 6 (Admission deadline):

In the case of students proposed by the University of Ferrara, the deadline is established by the admission procedure timeline of the doctoral school in that University.

Art. 7 (Admission procedure):

The students already enrolled with a fellowship at the University of Ferrara will be admitted in IRAP PhD on proposal of the Faculty Members representing the University of Ferrara and within the limits of the available positions.

In the case of students already enrolled at the University of Ferrara doctoral school and proposed for admission in the IRAP PhD program, the IRAPP Committee verifies the scientific background level of the proposed applicant.

For administrative purposes, the admitted applicant will follow the rules established by the University of Ferrara.

2. Per ottemperare quanto sopra, il dottorando interessato, iscritto, con borsa, al I anno di dottorato in Fisica, Curriculum di Astrofisica, deve fare domanda al Coordinatore del Dottorato in Fisica allegando il proprio Curriculum Vitae in lingua inglese e un Certificato di Iscrizione al Dottorato.
