Professional Experience

JANUAR 2017 - MARCH 2020**POSITION** - PhD Student**AREA OF ACTIVITY** - Electronic devices for the particle physics
- Development of PCBs and devices
- Software support of existing equipment**ADDRESS** Forschungszentrum Jülich, Wilhelm-Johnen-Straße, Jülich,
52428**AUGUST 2015 - SEPTEMBER 2015****POSITION** - Software engineer/trainee**AREA OF ACTIVITY** - C/C++ development, robots design**ADDRESS** - Siemens, Volinsky per. 3, St.-Petersburg 191186, Russia

Curriculum vitae

SEPTEMBER 2011 - SEPTEMBER 2015

POSITION - Engineer
AREA OF ACTIVITY - Design and development of electronic devices for nuclear physics; microcontroller programming
ADDRESS - Scientific and technical center „RADEK“, Egorova st. 26A, St.-Petersburg, 190005, Russia

MAY 2013 - AUGUST 2014

POSITION - Engineer
AUFGABENBEREICHE - Design and development of PCBs for servomotors, microcontroller programming
ADDRESS - „220 Volt“ Ligovskiy Prosp., 259 B. 192007, St.-Petersburg, Russia

Education

JANUARY 2017 - MARCH 2020

OBTAINED QUALIFICATION - PhD Physics
MAIN STUDIES - Particle physics
INSTITUTION - University of Ferrara (Italy), Forschungszentrum Jülich

2014 - 2016

OBTAINED QUALIFICATION - Master, title: Front-End Electronics of PAX Nuclear Physics Installation for the Purpose of Polarized Particles Interaction Research (Forschungszentrum Jülich)

MAIN STUDIES - Nuclear physics
INSTITUTION - Peter the Great St.Petersburg Polytechnic University

Curriculum vitae

2011 - 2014

OBTAINED QUALIFICATION - Bachelor, title: Modernization of the registration part of μ SR
Synchrocyclotron device

MAIN STUDIES - Nuclear physics

INSTITUTION - Peter the Great St.Petersburg Polytechnic University

2009 - 2011

OBTAINED QUALIFICATION - Transfer to the Peter the Great St.Petersburg Polytechnic
University

MAIN STUDIES - Physics

INSTITUTION - St.Petersburg State University

2007-2009
